

## Mark 4:35-41

1. You have recently paid good money to “Antony's Holy Land Tours” for the opportunity to retrace the events of Mark's Gospel. The tour guide, Bus driver Barraclough, has so far taken you as far as the end of Mark 4. What territory have you covered? To answer this, look up Mark 1:9, 1:16, 1:21, 1:39, 2:1, 2:13, 3:7, 3:13, 3:20, 4:1, 4:35.
2. We are going to have a close look at Mark 4:35-41. Before we do so, reread this section. What themes or ideas do you see which you have previously noticed in Mark?
3. Are there new ideas in this section that you haven't come across in Mark before?
4. What is the passage teaching us about Jesus?
5. What do we learn about the disciples? Is this what you expected of them?
6. In verse 40 it looks as though *fear* and *faith* are connected in some way. Discuss the nature of this connection.
7. Read Psalm 107:23-32. How does this add meaning to Jesus' actions in the boat?
